NOTES:

1. It shall be the owner's (or agent's) responsibility to request a Temporary Power Inspection when the project is ready to be inspected. If re-inspection of the work is required, a fee of \$75.00 will be charged.
2. After the appropriate electrical inspection has been approved by the Inspector a release will be requested to Florida Power and Light.
3. The following requirements shall be met before Temporary Power can be granted for all occupancies. These conditions shall exist until the final electrical inspection is performed.
  - a. The structure shall be secured and weather tight.
  - b. The windows and interior wall coverings shall be installed.
  - c. The roof system and its coverings shall be complete.
  - d. The electrical service shall be in good working and safe condition.
  - e. The electrical service shall have all branch circuits and sub-feeders disconnected from circuits except:
    1. Overhead lighting may be connected as needed for safety.
    2. Circuits for GFCI receptacles in the bath(s), garage and outside.
    3. A two-pole circuit breaker for pool pumps only
    4. Air conditioning circuits for testing and when needed for property installation of application of finishes.

**THE APPLICANT IS RESPONSIBLE FOR OBTAINING A PERMANENT CERTIFICATE OF OCCUPANCY (CO) OR A TEMPORARY CERTIFICATE OF OCCUPANCY (TOC) BEFORE OCCUPYING THE STRUCTURE.**

**IF THE "CO" OR "TCO" IS NOT OBTAINED, THE BUILDING OFFICIAL SHALL ORDER THAT UTILITIES BE DISCONNECTED TO THE PROPERTY WITHOUT FURTHER NOTICE AND THE OWNER MAY BE SUBJECT TO PENALTY FEES.**
