Description of Small Wireless Facilities (check all that apply):

- Renewal of Registration
- Facilities work within public rights-of-way
- Installation of a New, Modified, or Replacement Utility Pole(s):
- Located within single-family residential areas. • Not located within single-family residential areas
- Collocation of Small Wireless Facilities
- Routine maintenance on a previously permitted Small Wireless Facility
- Change or update of Registrar
- The replacement of a Small Wireless Facility
- Pass-through Provider for facilities located on FDOT ROW or State lands.
- An attestation that the wireless facility complies with the volumetric limitations in the definition of a Small Wireless Facility in Ordinance 20-515 of the City of Bradenton Beach guidelines is provided.

Insurance:

- Proof of liability insurance coverage against any damage or personal injury caused by the negligence of the applicant or its employees, agents or contractors is provided. Such insurance coverage must be with companies licensed to do business in the State of Florida and rated no less than AA by Best or equivalent and must be maintained in force for the duration of the period during which the applicant holds the permit and for the all applicable statute of limitations periods. Certificates evidencing such insurance shall be furnished to the City prior to the issuance of the permit and must state, "The City of Bradenton Beach is an additional insured," on a primary and non-contributory basis. The Certificate Holder shall be listed as "City of City of Bradenton Beach 107 Gulf Dr N. Bradenton Beach, Fl 34217" and the certificate shall bear an endorsement precluding cancellation of or change in coverage without at least thirty (30) days written notice to the City. In the alternative of such insurance coverage, an applicant must demonstrate that it has in effect a comparable self-insurance program; Minimum limits area as follows: Commercial General Liability Insurance combined single limit: \$1,000,000.00 each occurrence and \$1,000,000.00 aggregate.
- The contractor(s) and any subcontractor(s) performing work in the public rights-of-way shall obtain and maintain during the term of the permit, Liability Insurance. Subcontractor(s) covered by the protection afforded by the contractor(s) performing work in the public rights-of-way need not provide the City a certificate of insurance. Workers Comp or exemption shall also be provided to the City.

Permits: ROW Use application AND Trade Permit application required

Plans:

- Three (3) copies of construction and engineering drawings or digitally sign-sealed plans including detailed cost estimates for any make-ready work as needed are provided. The Applicant shall be solely responsible for the cost of any make ready work. The plans should show the proposed location of the facilities work including manholes or overhead poles; the length, size, type and proposed depth of any conduit or any other enclosures; and the relationship of the facilities to all existing streets; length of public rights-of-way; the number of road crossings; the number of entrance drive crossings; the locations of City-owned facilities in the proximity, if known, and the dimensions and character of any cut or excavation, and the number of square feet to be resurfaced. Note: All plans, drawings or other materials submitted to the City shall become the property of the City and part of the permanent record of any approval.
- A copy of the Registrant’s certificate of authorization, public convenience and necessity, or other similar certification or licenses issued by the Florida Public Service Commission, the Florida Department of State, the Federal Communications Commission, or other federal authority.

Project timeframe:

- If Applicant is not a wireless services provider, evidence of agreements or plans demonstrating that the small wireless facilities will be operational for use by a wireless service provider within one (1) year after the permit issuance date is provided.
- Projected commencement date: _____ • Projected termination date: _____
- Commencement and termination dates are unknown. Permit to be issued with condition that the permit holder shall provide the City Engineer with reasonable advance notice of such dates once it is determined.

Fees:

The following application fees are included (check all that apply) for the following facilities work:

- Facilities installation within public rights-of-way. Fee - \$450.00 (ROW Use Permit application)
- Small Wireless Facility on an existing City owned pole. Fee - \$100.00 per Small Wireless Facility per pole. (Separate Trade Permit Application and ROW application required for installation)
- Annual Rate of a Small Wireless Facility on a City pole - \$100.00 fee per City pole per year. Each year after initial issuance of permit.
- Routine maintenance on a previously permitted Small Wireless Facility – No fee required.
- The replacement of a small wireless facility with a Small Wireless Facility that is the same or smaller in size, weight and height - No fee required.
- The installation, placement, maintenance, operation or replacement of a micro wireless facility that is strung on cables between utility poles, in compliance with Applicable Codes - No fee required.

Bond:

- A wireless provider issued any permit for collocation under Ordinance 20-515 must first post a performance bond of \$15,000.00 for small wireless facility within the City Right-of-Way, except that for wireless providers with multiple small wireless facilities within the jurisdiction of the City, the total bond amount across all facilities shall not exceed \$75,000.00, which amount may be combined into one bond instrument. A performance bond acceptable to the City has been established in the City's favor in the following amount:
 - Cash Deposit in the amount of \$ _____ (Receipt from City attached)
 - Bond in the amount of \$ _____ (attached)
 - Letter of Credit in the amount of \$ _____ (attached).

I hereby certify, under penalty of law, that I have reviewed this document and understand the requirements relative to this application. I agree to implement and follow the provisions of the permit issued in conjunction with plans for the construction site and that the information provided on this form and on any additional data attached hereto is true, complete, and accurate. I understand that these requirements will be inspected and enforced by the City of Bradenton Beach and failure to comply may result in the issuance of a “stop work order” and/or other penalties until compliance is achieved. The undersigned will be responsible for complying with this permit and all applicable provisions of the City of Bradenton Beach ordinances. I assume full responsibility as to the performance of the construction operation, and I assure that all private properties and City, State and County streets and roads will be adequately protected from unnecessary damage and any damage to such shall to repaired to pre-existing or better condition as determined by the City of Bradenton Beach. I consent to the City of Bradenton Beach inspecting the proposed development site and all work in progress.
